

IN WHICH CLASS ARE YOU?

The World has always been divided into two classes—those who have saved, those who have spent, the thrifty and the extravagant.

It is the savers who have built the houses, the mills, the bridges, the railroads, the ships and all other great works which stand for man's advancement and happiness.

The spenders are slaves to the savers. It is the law of nature. We want you to be a saver—to open an account in our Savings Department and be independent.
